Congressman Lipinski Hosts Education Summit

Saturday September 24, 2005

WASHINGTON, DC - U.S. Rep. Dan Lipinski (IL-03) will host an Education Summit with school administrators from across the Third District at 10 a.m., Saturday, September 24th, at Lyons Township High School's North Campus Community Room, 100 S. Brainard Ave., La Grange.

"With the start of the new school year, I thought it was important to hear from educators about their concerns, such as the No Child Left Behind act," said Congressman Lipinski, an educator before his election to Congress. "I still care deeply about providing a quality education for all of our young people. I hope to exchange ideas with area school superintendents and principals on how to address the growing needs of our schools and the role of the federal government in meeting those needs."

Representatives from the U.S. Department of Education, the Illinois State Board of Education, and Chicago Public Schools will also be in attendance.
