CHICAGO, IL - U.S. Rep. Dan Lipinski (IL-03) will host three Medicare Prescription Drug Seminars in the next few weeks to assist seniors in enrolling in the new program.

"I invite my constituents to come to these seminars and ask questions and discuss the Medicare drug plan," Congressman Lipinski said. "No one should feel pressured into making a bad decision about enrolling in this program. Given the current confusion, it is imperative we allow beneficiaries to take their time, check their facts, and know their options without being rushed to choose."

Congressman Lipinski and his staff will join Stickney Township Supervisor Louis Viverito, experts from the Federal government and other local officials in assisting Medicare participants to enroll in the Medicare Drug program at three locations:

- Stickney - 9:00 a.m., Tuesday January 18th at the North Stickney Township Medical Center, 6721 W. 40th St.
- Burbank - 10:00 a.m., Wednesday January 19th at the Lou Viverito Senior Center, 7745 S. Leamington
- Central Stickney - 10:00 a.m., Monday January 23rd at the Central Clinic, 4949 S. Long Ave.
