

(June 27, 2006) 25th Congressional Art Competition

25th Annual Congressional Art Competition

Congressman Lipinski is pleased to announce that Rebecca Pytko from Bridgeview, Illinois has won the 25th Annual Congressional Art Competition, An Artistic Discovery. Her winning entry, "The Bug City" is currently on display at the United States Capitol Building.

Each year members of Congress hold contests within their districts to choose winning pieces of art by high school students. As a former educator, Congressman Lipinski recognizes that young people hold enormous creative potential. This event gives high school students a national platform to display their inventiveness and Congressman Lipinski is honored to be able to participate in the competition. Rebecca and the Congressman are pictured above.
