LIHEAP Cooling Program

Energy Assistance Offered for Seniors

The Low Income Heat and Electric Assistance Program (LIHEAP) will begin the Summer Cooling Program on Monday, July 31.

Those eligible for a grant on their electric bills must either be seniors age 60 or older, disabled, or have a child younger than 36 months.

Income guidelines apply. For more information or to make an appointment to apply, contact Con. Dan Lipinski's office at (312) 886-0481.
