

## (November 4, 2006) Congressman Lipinski Speaks About the Importance of Protecting the Great Lakes

Congressman Lipinski Speaks About the Importance of Protecting the Great Lakes

Chicago, IL, on Saturday November 4th, Congressman Lipinski joined the National Audubon Society's Great Lakes Ecosystem Restoration Conference at Brookfield Zoo.

Congressman Lipinski has taken a leadership role on Great Lakes issues in the 109th Congress, including being an original co-sponsor of the Great Lakes Collaborative Implementation Act.
